

Detour to MIR while Rt. 234 (Budds Creek Rd) is closed at Allens Fresh.

Because of the overwhelming amount of rain on Sept 6-9, Rt. 234 (Budds Creek Road) has a wash-out and is temporarily closed at the end closest to Rt. 301. During this temporary closure, we have marked out an alternate route for you to take to get here in the easiest manner possible. Please keep in mind, the direction from the NORTH that we have suggested is the very best route to take even if Rt. 234 were to be open. Adjustments to the route from the SOUTH are minor and should be easy for you to follow.

From the South: Take I-95 N to Exit 104 (Rt. 301 North). Follow Rt. 301 across the Potomac River Bridge into MD. ***Continue past Rt. 234, it is temporarily closed.*** Proceed 9 miles to the next stoplight and turn right onto Route 6 (Charles Street) in La Plata. Follow 8 miles, turn right onto Trinity Church Road at traffic light. Follow 5 miles to end. Turn left onto Rt. 234, follow 2 miles to MIR in Budds Creek, MD on the right.

From the North: From the DC Area, take the Beltway I-495 to Exit 7A (Branch Ave). Continue south 13 miles, turn left onto Rt. 5 S. Follow 3 miles, turn left at light to stay on Rt. 5 S. Go 13 miles, turn right on Rt. 236. Follow 6 miles to end. Turn left onto Rt. 234, MIR immediately on right.
