

Race Format: The class will be run on the 1/4 mile with a .500 pro tree and will be an All-Run field. Your qualifying time will be your dial-in during eliminations, breakout not permitted. The class will be placed on a ladder when down to 16 cars or less.

Ladder: If we have 17 or more cars in a particular round then cars will be randomly paired in the staging lanes with a deck of cards, and the bye run will be chosen with the deck of cards. Once we get down to 16 cars or less in competition then the class will be placed on a ladder based off of qualifying.

Body: 1996 & newer Mustangs (Cobras, Shelbys, Coyotes, and Modulars).

Power Adders: 1 or 2 power adders are permitted.

Exhaust: Mufflers required unless turbocharged.

Electronics: Delay boxes and auto shifters are prohibited. Trans-brakes, 4-wheel line locks, and 2-steps are permitted.

Tires: Any size DOT radial tire or slick is permitted.
